

## Where do we meet the tour?

Our place of meeting is the EDC parking lot (the sand yard where all the Local Tour Buses are parked), towards your left going out. If you see the Port or security guard or at the information desk (by the big statue of Dr. Albert Claudius Wathey) ask them to show you where the EDC parking lot is and tell them who you are looking for your driver Alvin Andre from SXM BUS TOURS and they will escort you to where we are, or you may also come to the sand yard which will be much quicker after they have directed you where it is. Our time of meeting is half an hour after the ship has docked. Please try to be on time, hope to see you soon!
